INDEPENDENT AUDITORS' REPORT

Board of Directors and Members
St. Charles Capital, LLC
Denver, Colorado

We have audited the accompanying statement of financial condition of St. Charles Capital, LLC (the "Company") as of December 31, 2011. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of St. Charles Capital, LLC as of December 31, 2011 in conformity with accounting principles generally accepted in the United States of America.

ST. CHARLES CAPITAL, LLC

Notes to Financial Statement

Note 1 - Description of Business and Summary of Significant Accounting Policies

Organization

St. Charles Capital, LLC (the "Company") was formed in October 2004, as a Colorado limited liability company and began operations in January 2005. The Company, headquartered in Denver, Colorado, is a licensed broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a registered member of the Financial Industry Regulatory Authority. The Company is engaged in investment banking activities and provides advisory services in the areas of mergers and acquisitions, private debt and equity financings, valuation, and corporate financial strategies. Operations are conducted nationwide; however, the majority of activities and services take place in the Rocky Mountain Region.

The Company is exempt from Rule 15c3-3 under Subsection (K) and does not hold, nor does it plan to hold, any customers' securities or funds. Under this exemption, *Computation for Determination of Reserve Requirements* and *Information Relating to Possession or Control Requirements* are not required.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. The Company continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. As of the balance sheet date, and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits. As of December 31, 2011, the amount exceeding the federally insured limit was approximately \$898,000.

Concentrations of Credit Risk

The Company grants credit in the normal course of business to customers. The Company assesses the financial condition of its customers to reduce credit risk.

As of December 31, 2011, two customers accounted for 53% of total accounts receivable.

Fair Value of Financial Instruments

The carrying amounts of financial instruments, including cash and cash equivalents, accounts receivable, accounts payable, and accrued expenses approximated fair value as of December 31, 2011, because of the relatively short maturity of these instruments.

Accounts Receivable

Accounts receivable are non-interest bearing and are recorded as earned by the Company. An allowance for uncollectible amounts is established to cover future losses based on management's best estimate of uncollectible amounts. Uncollectible receivables are charged against the reserve when identified. As of December 31, 2011, the Company had an allowance against its receivables of \$124,225.

ST. CHARLES CAPITAL, LLC

Notes to Financial Statement

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Furniture, Equipment, and Leasehold Improvements

Furniture, equipment, and leasehold improvements are stated at cost. Depreciation and amortization is provided utilizing the straight-line method over the estimated useful lives for owned assets, ranging from three to seven years, and the lesser of the estimated useful life or the related lease terms for leasehold improvements.

Deferred Lease Liability

During 2009, the Company increased office space and received lease concessions including leasehold improvements and furniture. These concessions are being amortized over the life of the lease through May 2014.

Income Taxes

The Company has elected to be treated as a limited liability company for income tax purposes. Accordingly, taxable income and losses of the Company are reported on the income tax return of the Company's members, and no provision for income taxes has been recorded in the accompanying financial statement.

The Company applies guidance of Accounting Standards Codification Topic 740, *Accounting for Uncertainty in Income Taxes*. Under this guidance, if taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the members rather than the Company. Accordingly, there would be no effect on the Company's financial statement.

The Company's information returns for tax years subject to examination by tax authorities include 2007 and 2008 through the current period for state and federal tax reporting purposes, respectively.

Use of Estimates

The preparation of the financial statement in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those estimates.

Subsequent Events

The Company has evaluated all subsequent events through February 23, 2012, which is the date the financial statement was available to be issued.

ST. CHARLES CAPITAL, LLC

Notes to Financial Statement

Note 2 - Net Capital Requirement

The Company, as a registered broker-dealer, is subject to the SEC Uniform Net Capital Rule ("SEC Rule 15c3-1"), which requires the maintenance of minimum net capital, as defined, of the greater of \$5,000 or 6 2/3% of aggregate indebtedness. At December 31, 2011, the Company had net capital, as defined, of \$1,961,652, which was \$1,926,891 in excess of its required minimum net capital of \$34,761. Additionally, SEC Rule 15c3-1 requires that the aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1, and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Company's net capital ratio was 0.27 to 1 as of December 31, 2011.

Note 3 - Notes Receivable

Notes receivable consist of the following:

Notes receivable from members, interest at 4.25%, due in annual installments ranging from \$4,169 to \$16,350, plus interest, with maturity dates ranging from January 2012 through January 2014.

\$ 92,882

The above amount is scheduled to mature as follows:

Year Ending December 31,

2012	\$ 41,861
2013	25,511
2014	<u>25,510</u>
	<u>\$ 92,882</u>

Note 4 - Furniture, Equipment, and Leasehold Improvements

Furniture, equipment, and leasehold improvements consist of the following as of December 31, 2011:

Furniture and equipment	\$ 102,443
Computer equipment and software	142,023
Leasehold improvements	<u>142,708</u>
	387,174
Less accumulated depreciation and amortization	<u>(236,428)</u>
	<u>\$ 150,746</u>

ST. CHARLES CAPITAL, LLC

Notes to Financial Statement

Note 5 - Note Payable - Member Redemption

On November 28, 2008, one of the Company's Managing Directors passed away, resulting in a redemption event under the terms of the Company's Operating Agreement. As a result, the Company redeemed 191,465 units and issued a related note payable of \$1,037,001.

The balance of the obligation was being financed by the estate over three years at a fixed interest rate of 5%, with equal quarterly installments of principal and interest beginning March 31, 2009. The outstanding balance of this obligation was paid off in December 2011.

Note 6 - Commitments

Operating Leases

The Company leases office space and facilities under non-cancelable operating leases. Future minimum lease payments under these leases are approximately as follows:

Year Ending December 31,

2012	\$	368,506
2013		373,583
2014		<u>156,541</u>
	\$	<u><u>898,630</u></u>

Note 7 - Employee Benefit Plan

In 2005, the Company adopted a defined contribution 401(k) plan covering all employees. This plan is designed to be tax deferred in accordance with the provisions of Section 401(k) of the Internal Revenue Code. In addition, this plan allows for employer 401(k) contributions and profit sharing contributions at the discretion of management.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
REQUIRED BY SEC RULE 17A-5**

Board of Directors and Members
St. Charles Capital, LLC
Denver, Colorado

In planning and performing our audit of the financial statement of St. Charles Capital, LLC (the "Company") as of December 31, 2011 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining Internal Control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of the financial statement in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Board of Directors and Members
St. Charles Capital, LLC

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors and Members, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON THE SIPC ANNUAL ASSESSMENT REQUIRED BY SEC RULE 17A-5

Board of Directors and Members
St. Charles Capital, LLC
Denver, Colorado

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2011, which were agreed to by St. Charles Capital, LLC (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and the SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2011, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

Board of Directors and Members
St. Charles Capital, LLC

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
